Fast Cold Front Striking Nation

By United Press International

A fast moving cold front which triggered tornadoes, thunderstorms and flash floods from Texas to New England during the night brought heat wave relief today to the Atlantic Seaboard.

The storm line spawned at least six funnel clouds over Wyoming

earlier. Three persons were injured.

A tornado touched down near Moline, Ill., but there was no damage reported. Another twister dipped down near Matfield Green, Kan., without damage. Three other funnel clouds were spotted in Kansas. A funnel cloud was seen during the night at Seminole, Tex. An unconfirmed tornado at Amesbury, Mass., uprooted trees, overturned cars and severed power lines but there were no injuries reported.

Tornadoes were reported near Big Spring, Paducah and Childress, Tex., but there were no injuries.

Dust storms darkened skies in West Texas. Hail hit much of the Texas Panhandle. Eighty-mile winds unroofed homes and damaged an auto agency at Monahans, Tex. Amarillo, Tex., reported marble size hail which reduced visibility to zero. Longview, Tex., had an inch of rain in six hours.

NEWS in BRIEF

WASHINGTON (UPI) — Russia has sent a fourth ship laden with electronic devices to spy on America's nuclear tests in the vicinity of Christmas Island, the Defense Department said today.

ALGIERS (UPI) — Moslem nationalists and Algeria's Europeans appeared today to be near a compromise which could end six months of violence and set a pattern for future cooperation in an independent Algeria.

Top-level talks have been going on for some time at the heavily guarded administrative headquarters at Rocher Noir. The negotiations involve Europeans and members of the provisional executive which is ruling Algeria until independence.

LIMA, Peru (UPI) — Peru's three top presidential candidates still were running neck-to-neck today with nearly three-fourth of the ballots counted.

HONOLULU (UPI) — The protest voyage of the ketch Everyman II, which three pacifists planned to sail into the U.S. Nuclear test zone in the Pacific, was halted Monday before it began.

A restraining order issued by a federal court left the 28-foot boat anchored in Honolulu, and indicated that the Atomic Energy Commission would be able to stage a protest free high altitude detonation. The next test may be held in the Johnson Island area.

ON HIGH-RISE TOMORROW

Planners Will Talk Standards

High-rise standards for this transitional resort city will be discussed by the Palm Springs Planning Commission during the meeting beginning at 1:30 p.m. Wednesday in city hall.

The high-rise standards will be reviewed Monday by city council members and planners, during a noon luncheon session. The meeting is tentatively slated for the

Riviera Hotel's Monaco Room. The major impetus to the high-rise discussions have come from the \$10 million Desert Inn hotel proposal for mid-town Palm Springs, and from discussions of Section 14 developments with members of the Agua Caliente Band of Mission Indians.

Rival Laos Princes OK Pact

Agreement May Restore Peace to Tiny Asia Kingdom

KHANG KHAY, Laos (UPI) — The three rival princes of Laos today signed a formal agreement designed to restore peace to this tiny Southeast kingdom.

The agreement was signed in this rebel-held headquarters by neutralist Prince Souvanna Phouma, his half-brother, Prince Souphanouvong of the pro-Communist Pathet Lao, and right-wing Premier Prince Boun Oum.

In it the leaders of the three factions which have been warring for years agreed to share the burden of bringing peace to Laos.

Gen. Phoumi Nosavan, the right wing "strong man" who will command the army under the new setup, said the pact calls for the withdrawal of foreign troops from Laos, as provided for by the recent Geneva Conference on Laos. The Geneva meeting also proposed the combination of Communist, pro-Western and neutralist forces in Laos into a single army.

Drafting committees representing the three factions—pro-Western Boun Oum, neutralist Souvanna Phouma and leftist Souphanouvong — started work on the wording of the document early this morning to have it ready for the signing.

The agreement, by which Souvanna Phouma will be premier of a coalition government, drew blessings from such diverse capitals as Washington and Moscow, London and Beijing.

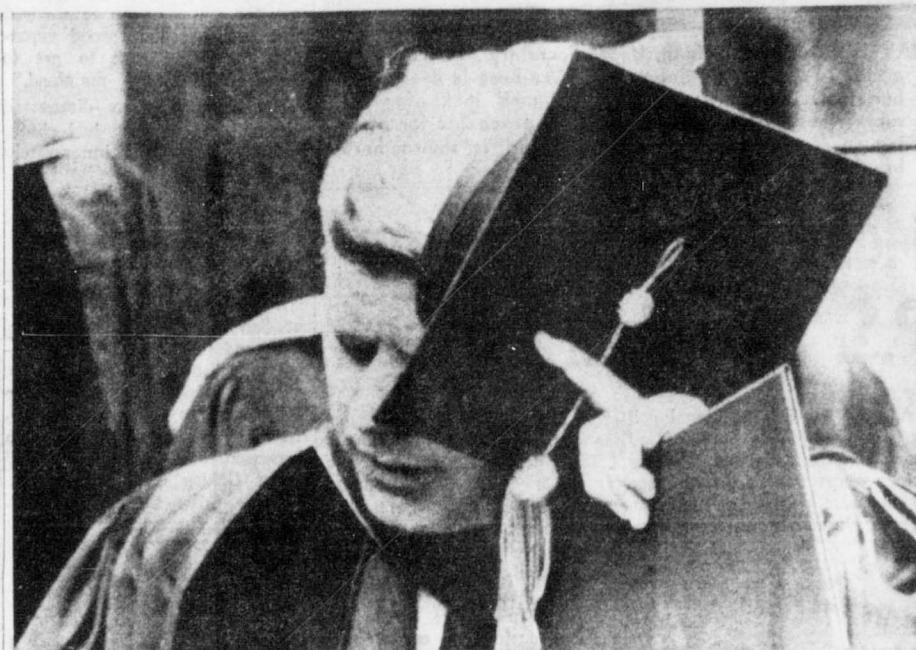

Aid To Resume
Officials in Washington said the United States was considering quick resumption of financial aid payments to Laos to help Boun Oum's present government meet its financial obligations before turning over power to the coalition.

The United States suspended the \$3 million monthly payments last February in an effort to persuade Boun Oum and his deputy, strongman Gen. Phoumi Nosavan, to proceed with the coalition negotiations.

Moscow Radio hailed the coalition agreement as "a great victory for the peoples of this small, indochinese country" but warned the Laotian border situation remained tense because of U.S. troops in neighboring Thailand.

Troops Asked For
President Kennedy ordered 5,000 American military men to Thailand last month when a rebel offensive in northwestern Laos threatened to spill over the border. Thailand asked for the troops.

The British and French foreign offices both expressed satisfaction at the agreement and Red Chinese Premier Chou En-lai sent "warm" congratulations to Souvanna.

Hearings on Budget for County Set

RIVERSIDE — The fate of a proposed county building in Palm Springs, and recommended pay raises for county employees will be decided in 1962-63 budget studies which begin here by Wednesday.

The five-member County Board of Supervisors will evolve a budget of more than \$40 million from recommendations submitted by County Administrator Robert T. Andersen, plus possible increases.

Andersen has recommended that \$300,000 be spent during the coming year for a county branch administrative center in Palm Springs. The item is a major proposal in the \$1,352,000 worth of construction spending the county administrator proposed from the \$2,972,000 in building requests he received.

Other recommendations by Andersen included a \$400,000 reserve for a proposed \$3 million county records hall here. He has asked the \$400,000 reserve be set aside annually until voters are asked to authorize \$1.8 million worth of bonds for the building in 1964.

The Andersen budget proposal could reduce the county tax rate to \$2.05 per \$100 assessed valuation from the current \$2.07 tally, Ladd said.

Included in the administrative proposal is \$180,000 provision for county salary increases. The county personnel problem apparently parallels that of the city of Palm Springs, which is seeking pay increases to retain key personnel.

'Serious Warning'

TOKYO (UPI) — Communist China today charged that an American warship entered its waters. It issued the country's 20th "serious warning" against the alleged violation, according to the Communist New China News Agency.

JFK Task Force In Move on Gold

WASHINGTON (UPI) — President Kennedy's business task force has agreed to try to find ways of shutting off the foreign dollar drain on U.S. gold.

Kennedy held a meeting with the task force, headed by U.S. Steel board Chairman Roger Blough, for an hour Monday. The White House said the meeting was "most helpful."

White House press secretary Pierre Salinger said the task force agreed to examine steps the government is taking to stem the flow of American dollars abroad. The businessmen will make suggestions on the subject to Kennedy when they feel it would be "helpful or pertinent," Salinger said.

Cooperation 'Most Important'

Kennedy, Salinger said, feels the cooperation of the task force "is most important, the kind of cooperation that can be most helpful in business and government."

The task force was set up by Blough several weeks ago at Kennedy's suggestion after Blough asked how business leaders could help economic growth.

It was done shortly after the President turned on the steel industry for its planned price increase.

Kennedy also met with his cabinet Monday after returning from Yale, where he made a commencement address strongly urging

Claim Little Improvement in Sound Each Day

WASHINGTON (UPI) — Rep. D.S. Saund, D-Calif., hospitalized with an occlusion of a blood vessel in the head, "continues to make a little improvement each day," aides said today.

But they gave no indication when Saund, who won renomination in last Tuesday's primary election, would be discharged from Bethesda (Md.) Navy Medical Center.

His condition was termed as "satisfactory."

Reinforcements

THE HAUGE, E. Holland (UPI) — The first of 800 troop reinforcements for Dutch army units in New Guinea left by plane Monday for Curacao in the Dutch Antilles. They will be transferred to Hollandia by troopship.

Early Relief Expected for Desert Areas

RIVERSIDE—An ordinance to control blow sand in the county's desert areas was adopted by the board of supervisors Monday and will become effective July 11.

The measure, demanded by Fourth District Supervisor George Berkey only two weeks ago, brings promise of early relief from sand inundations in areas about Palm Springs and Thousand Palms, although no provision is made for damage already done.

(Laws cannot be made retroactive and current damage remains a problem of civil action, it was explained.)

Provisions

The new ordinance makes it illegal to disturb the surface of sandy soil in a manner likely to contribute to erosion of the land or aggravate an existing wind erosion condition without providing protection at or prior to the time of surface disturbance.

The measure requires that protection be maintained continuously to prevent soil from being eroded by wind and blown onto public or private property.

Penalties

The ordinance lists as means of protection to keep sand from blowing and provides that violation will be a misdemeanor punishable by a fine of not more than \$500 or by imprisonment for six months or both. Prosecution under the ordinance does not bar subsequent prosecution if the condition remains uncorrected.

"How are they going to develop their land down there?" asked Supervisor Fred McCall.

Shouldn't Stop

"This shouldn't stop them," replied Sullivan. "It's just going to make them be careful how they go about it."

Supervisor George Berkey had a question relative to the requirement that the protection be maintained continuously. "Can they follow up a leveling activity with an application of water if they do it with reasonable diligence?" he asked.

"If they level a couple of acres and promptly put on sprinklers they are complying with the ordinance," replied Sullivan, "but if they wait two days they aren't."

"Supposing they go by weather forecast or go into operation at a time of the year when wind is not expected so they don't prepare for protection, and then a wind comes up unexpectedly," pondered Berkey.

"If an unreasonable wind blows up and dust blows from the land from which they are operating into a neighbor's property, then they're in trouble," replied Sullivan.

Sullivan suggested that compliance with the blowing sand control ordinance be made a condition of tentative subdivision map approval.

GOP May Not Fight Debt Limit

WASHINGTON (UPI) — Administration forces may give in without a fight Wednesday to Republican demands for a \$2 billion cut in the \$308 billion national debt limit requested by President Kennedy, Rep. Wilbur D. Mills said today.

The Arkansas Democrat, chairman of the House Ways and Means Committee, said the group may have second thoughts before the showdown vote on the House floor Wednesday and support a Republican proposal for a \$306 billion ceiling.

The surprise development indicated that the White House was having trouble lining up votes needed to avoid a stunning setback. Some party strategists feared that unless Democrats accepted the GOP proposal, the House might scuttle both bills.

The debt limit, which now stands at \$300 billion, is scheduled to drop to \$285 billion July 1. The temporary increase would run until March 31, 1963, under both bills. Thereafter, the new temporary limit gradually would be scaled back to the present temporary \$300 billion level.

The development came as trouble mounted for Kennedy's legislative program. His program of medical care for the aged under social security appeared just about dead.

But Democratic congressional leaders said after their weekly legislative meeting with the chief executive that they would push to passage this session as much of the Kennedy program as was "humanly possible." They laid particular stress on tax reform.

East Berliners Tunnel Into Western Section

BERLIN (UPI)—The West Berlin newspaper Nachtdespeche today reported that a "large group of East Berliners" escaped through a tunnel into West Berlin last weekend.

The newspaper gave no details. West Berlin police, the city government and the federal refugee center refused to comment on the one-paragraph story carried by the newspaper.

West Berlin police reported several more incidents along the

Communist-built Berlin wall, including a new explosion that blew a hole in the barrier.

No one was injured by the blast which occurred Monday. The hole was big enough to stick a head through.

A second homemade bomb failed to go off, police said.

The explosives were in two compressed air cylinders attached to the western side of the concrete wall near the Potsdamer Platz. Wires led to a detonator in the cellar of a ruined building nearby.

Hike Seen In Allowance For Mileage

Increases in mileage allowances for city employees who drive their own automobiles on city business may be developed for the coming year, the city council indicated in budget study sessions Monday.

Jack Sanders, city building inspector joined Shirley Henry, city clerk, in appeals for councilmanic review of car allowances.

Sanders told the council session that he lost more than \$380 yearly in car expenses not reimbursed by the city flat rate allowance, adding that "most of my men lose even more." Sanders asked for \$15 monthly increases for four men, for a total of \$720 yearly increase in mileage allowance.

City Manager Dan Wagner has asked a thorough study of the entire mileage allowance problem here, acting manager Charles Kasper told the council. Wagner's proposal would cover study of allowances paid 26 employees who provide their own cars for city business, including license inspectors, a messenger, department heads or section heads whose jobs require travel within the city, and similar posts.

"The federal government, which had paid more than 12 cents in some departments, has now upped the allowance to 15 cents per mile, with expectations that some private business deductions of up to 20 cents per mile may be allowed by the Internal Revenue Service," Councilman Kenneth Kirk reported.

Kirk added that no one could defray auto expenses on the present city allowance. Some employees drive more than 1,400 miles monthly on city business, the council learned.

McCoubrey Named to GOP Honor

E. L. McCoubrey, prominent Riverside County Republican and Palm Springs and Riverside automobile dealer, has been appointed director-at-large for the California Republican Assembly, The Desert Sun was told today.

The appointment was made by Fred Hall, assembly president, who emphasized that it was honorary in recognition of faithful and valued services to the organization. McCoubrey will serve throughout the 1963 convention. He is currently Riverside county chairman for George Christopher, the Republican nominee for lieutenant governor.

3 Bank Robbers Escape Alcatraz

SAN FRANCISCO (UPI)—Three bank robbers escaped from Alcatraz Prison and law enforcement agencies today began a massive land, sea and air search of San Francisco Bay and its shoreline.

Acting Warden Arthur Dollison said the inmates presumably fled the island prison Monday night on an improvised raft or piece of driftwood in an attempt to reach nearby Angel Island or the mainland.

The missing men were identified as John William Anglin, 32, and his brother, Clarence, 28, and Farris Egbert Morris. It was not immediately known whether they were armed.

Dollison said the men fled by removing a portion of the backs of their cells with a spoon, which admitted them to the utilities area pipe tunnel.

"They then climbed to the roof and removed or sawed a bar protecting a skylight and from there went down a pipe to the rear of the island and presumably went into the water on an improvised raft or piece of driftwood apparently in an attempt to get to Angel Island or the mainland."

The inmates were discovered missing at a morning bed check, and the alarm was immediately sounded.

Guards scrambled along the cave-pocked shore of the famed "Rock," but found no trace of the men.

A Coast Guard helicopter, four patrol boats and prowls cars of the San Francisco Police Department and California Highway Patrol joined the search.

The hunt was centered in the San Francisco Bay waters surrounding the island prison, San Francisco, and Marin County across Golden Gate Bridge.

If the three succeeded in escaping, they would be the first

convicts known to have done it since Alcatraz became a civilian prison in 1934.

"It takes 10 minutes to get here, and 20 years to get back," one middle-aged convict once remarked.

About 250 of the nation's most dangerous convicts are housed in the buff-colored cell blocks on the 12-acre island. It is separated from the mainland by a mile and a half of cold, tide-swept waters.

Several convicts have attempted to swim to freedom, but have failed, although two men who made the try in 1937 were never heard from again. Officials presumed they were swept out to sea.

Anglin was described as white, 165 pounds, close-cut brown hair and wearing a navy-type pea-coat, blue trousers and blue shirt.

His brother is 5 feet, 8 inches tall, weighs 155 pounds and has dark brown hair. He was believed wearing the same kind of clothing as John Anglin.

Morris is 5 feet, 7 inches tall, weighs 150 pounds and has dark brown wavy hair, with the same type of clothing as the others.

The Anglins were arrested Jan. 22, 1958, in Hamilton, Ohio, for a \$19,000 Alabama bank robbery. A third brother, Alfred, and his wife and John Anglin's girl friend also were arrested.

SMALLEST CLAIM of creditors against the wrecked empire of Billie Sol Estes is for \$7.14 for some machine bolts by O. T. Smith, Tornillo, Tex., hardware store owner, picture above. It is estimated that over 500 claims will be filed eventually, and one is already in the hopper for over \$5 million. (UPI Telephoto)

You'll be amazed at its performance!
Presenting the Tornado-OHC, America's first overhead camshaft engine designed specially for commercial vehicles.
WHAT IS AN OHC ENGINE? In a conventional engine, the valves are on top—the camshaft, which operates them, down below. The Tornado-OHC has overhead valves and an overhead camshaft—which is what OHC stands for. The simplicity of this system—it has 36 fewer moving parts—makes it much more efficient. It produces 33% more power with up to 25% better gas economy—needs less maintenance and lasts much longer.

Union Forces B-Girl Trade

WASHINGTON (UPI)—Actress Penny Singleton today accused a nation-wide entertainers union of abandoning its dues-paying strip teases to the degradation of the B-Girl's trade in night clubs often dominated by racketeers.

The actress, who played "Blondie" on television and in the movies, delivered a bitter attack on the leadership of the American Guild of Variety Artists in testimony before the Senate rackets subcommittee.

"I charge here and now that the exotic and strip artists have been abandoned and made outcasts by the very union to which they pay dues for representation and protection," Miss Singleton declared.

She recited a list of alleged

union abuses ranging from failure to collect a social security taxes to nonenforcement of union contracts which forbids women entertainers to cadge drinks for a cut of the take.

Members of AGVA, including a growing number of strippers and exotic dancers, frequently are shunted out of the union on trumped-up charges when they speak out against injustice, she charged.

Police blotters in cities across the country include charges against AGVA members ranging from lewd and indecent performances to prostitution, Miss Singleton testified, but union officials do nothing about it.

Jack Bright, administrative director of AGVA, said earlier in an interview that most of the girls in his union never would stoop to cadging drinks from night club patrons for a cut of the take.

He said the union could not be responsible for those few of its 400 to 500 stripper members who do double as bar girls.

But Miss Singleton said AGVA officials permit night club operators to treat strippers as "independent contractors" and force them to break the contract by soliciting drinks for commissions. "It is a matter of public knowledge that many of these so-called strip clubs are managed by people who are fronts for racketeers," she testified.

Miss Singleton, an entertainer for more than 40 years, was president of AGVA in 1958. She said she had fought the paid union leadership, particularly Bright, since stepping down.

June Permit Total in Spa Half-Million

A \$485,000 building permit for a 64 - unit apartment building pushed Palm Springs permits over the \$527,000 mark for the first nine days in June.

The \$485,000 permit was issued to Seabreeze Construction Co. for apartments to be built at 2580 E. Tahquitz-McCallum Way.

Three swimming pool permits at \$3,000 totaling \$9,000. Permits were issued to Sam Janis, for 2267 Janis Way; Nicholson's, Inc., for 2330 San Antonio Road; and William Darwin, for 2300 Janis Way.

An \$8,000 permit was issued to The Center, 174 N. Palm Canyon Drive, for fire damage repair and a \$6,000 permit was issued to R.H. Fleet, 221 Merito Place, for re-roofing. Alexander Construction Co. was issued a \$4,750 permit for a wall on San Rafael.

A \$14,000 commercial permit was issued to Randi's Hofbrau and Delicatessen, 2413 E. Tahquitz-McCallum, for completion of a building.

Cathedral City Building Permits \$27,801 in June

CATHEDRAL CITY — A \$26,061 dwelling permit issued to M. Johnson for 40-281 Sand Dunes Road paced building permits in this area to \$27,801 during the first nine days of June.

A second Cathedral City permit was \$340 to Van Linkletter for a roof on Broadway Street. In the Cathedral City-Palm Springs country area, \$1,400 worth of permits were issued during the report period.

An \$1,100 permit was issued to Ed Johnson, 32-165 Date Palm Drive, for an aluminum siding. A \$300 permit for a trailer awning was issued to Pat Turney, 68-093 Highway 111.

One Pup Found A Master, But Others Waiting

The bloodhound pup whose picture was in Saturday's Desert Sun was looking for a master.

He should have one by now, more than 25 people have called or stopped at the Humane Society's shelter, according to Don Deckler, who is in charge.

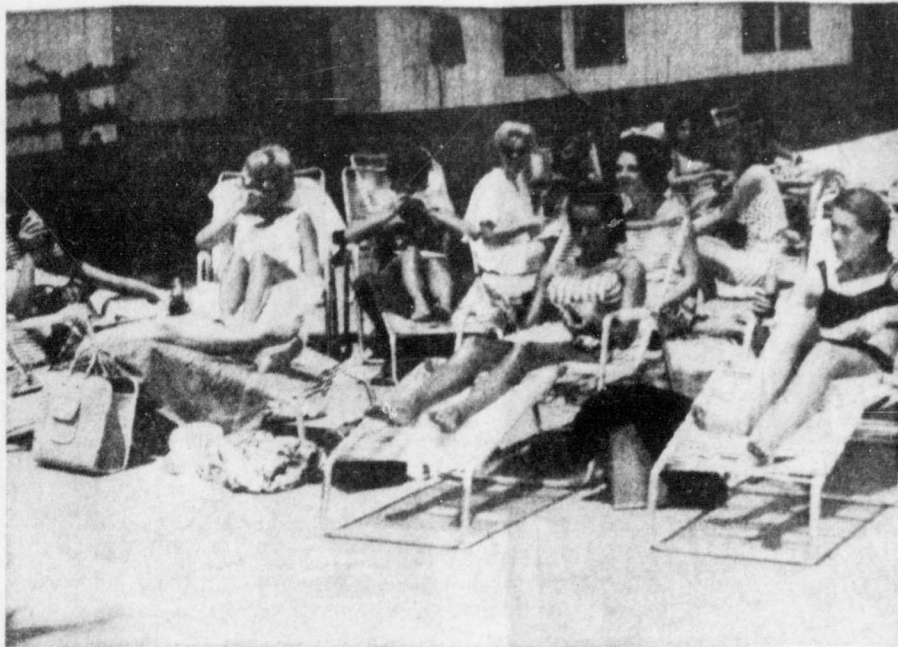

That leaves more than 100 other pets without masters, and they are all just as cute and friendly—from a 14-ounce pup, to a 40-pound cat.

Community-Wide Flag Salute Asked by Elk

Stressing the need for a revival of "the fervent patriotism that won our freedom," Sam Hinkle, exalted ruler of Palm Springs Elks Lodge 1905, today called for a community-wide salute to the flag on Flag Day, June 14.

Hinkle said the Elks Lodge will hold an observance honoring the flag on the 185th anniversary of our flag's adoption by the Continental Congress in 1777. The lodge's observance will be held at the lodge rooms Thursday. He urged that the flag be displayed before every home and place of business on Flag Day.

"The habits of apathy and com-

placency weaken the spirit of patriotism," the Elks' leader said. "The fervent patriotism that won our freedom is the only thing that will preserve it. We should strengthen our spirit of allegiance by practicing and manifesting our loyalty to American principles and to the flag, which is the symbol of those principles."

Hinkle said that Al Patane, Americanism Chairman, is planning the lodge-sponsored Flag Day program. Committee members are Jerry Floyd, Jim Metz, Jack Rordian, Hap Trout and Fred Weigel. The Palm Springs lodge will be one of 2,000 Elks Lodges across the nation conducting Flag Day programs Hinkle said. He pointed out that the Benevolent and Protective Order of Elks has been observing Flag Day for more than a half a century.

New Hospital Planned for Hot Springs

DESERT HOT SPRINGS—Plans to build a 32-bed convalescent hospital at an estimated cost of \$240,000 were announced here today by Dr. Robert Bingham of Riverside and Dr. O. Leonard Huddleston.

The new medical facility will be built on grounds adjacent to the ultra modern Despa Arthritis and Physical Medicine Center at 68-011 Via Domingo and will provide inpatient care for both adults and children. It will be completed in 1963, the doctors said.

Dr. Bingham also announced that Mrs. Albert Wagner of 405 Camino Del Sur, Palm Springs, has purchased a one-third interest in Despa which is owned by Dr. Bingham and Dr. Huddleston.

Man Gets Slash Over Gambling

INDIO — A 9:30 a.m. Thursday preliminary hearing in Desert Municipal Court here is slated for a 36-year-old farm laborer who reportedly slashed a man who proposed a gambling game.

Dolph Henry McFadden, 46-611 Lane B, Nobles Ranch, faces the hearing on alleged severe cutting of Johnny Cross, 39, in the McFadden home. McFadden told Indio police that Cross repeatedly accused him of being afraid, when McFadden refused to permit gambling in a domino game in the McFadden home.

Indio police reported that a seven-inch kitchen knife was used in the cutting, which McFadden admitted. Witnesses Lawrence Edwards, 45-611 Lane A, and Audrey Walker, told police that McFadden rose from a chair and cut Cross with a knife McFadden had used to carve a steak. The victim was reported in satisfactory condition in Casita Hospital Monday.

Invite Chief

TOKYO (UPI)—The newspaper Japan Times said today that the director of the Japanese Defense Agency, Senuke Fujieda, has been invited to visit the United States this fall.

The newspaper said the invitation was delivered by Lt. Gen. Jacob E. Smart, commander-in-chief of U.S. forces in Japan.

BELLOWS GAZETTE

WHEN GOLD WAS DISCOVERED at Sutter's Mill, Bellows & Company already had an 18-year reputation for delivering the best in taste. Many of our exotic foods, spices and spirits came from various ports of call visited by ships returning from the West via the Horn.

By the turn of the century, we were serving our third generation of notable customers. And shortly thereafter our new Bellows "electrics" made their appearance as the latest word in delivery trucks.

TODAY, you can still discover the golden taste of the good old days in two exquisite whiskies bearing the Bellows name. They are both of finest Kentucky quality, yet they are eminently reasonable in price.

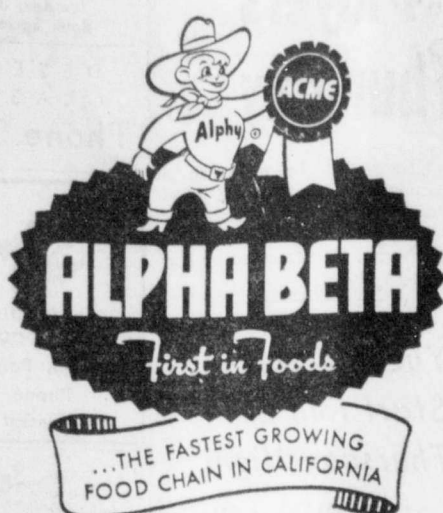

Our BELLOWS CLUB BOURBON is Kentucky whiskey of the highest order. Mellow and most flavorful—it typifies the emphasis we place on quality, yet it is not premium in price.

Our BELLOWS PARTNERS CHOICE has won favor as the choicest of all blended whiskies. You will find it to be rich in Kentucky flavor—immensely satisfying in taste and in price.

Musicians Honored Guests At Date Palm Dinner-Dance

Four Marines Will Debate At Staff Club

"Should A Woman Be President of the United States?" This question will be the subject of a debate following the June luncheon of the Staff Non-Commissioned Officers Wives Club on Thursday, June 14.

Debating this controversial topic will be four Marines who are members of the Staff NCO Toastmasters Club of the Marine Corps base. The four are Gunnery Sgt. Bill Walker, Randy Peterson, Andy Garmes and Winston Hall.

Officers Wives To Serve Coffee At Staff Club

A "Get Acquainted Coffee" is being planned by members of the Marine Base Staff Non-Commissioned Officers Wives Club.

The affair, which will be held June 21 at the Staff Club, is being held to acquaint non-members with the many activities of the organization.

All ladies who are married to Marine Staff NCO's and Navy men of equal rank are cordially invited to attend and meet club members on an informal basis. The coffee will begin at 10 a.m. and will continue until 11:30.

Because they have provided hours of music for her dancing enjoyment, Ida Flatte of Date Palm Cove Trailer Park hosted a dinner-dance in honor of Ward and Lillie Strickland.

The Stricklands, who have furnished music for 15 years in Palm Springs area trailer parks, are leaving Thursday for Lake Tahoe, where they will entertain at El Dorado County Camp grounds. The party also honored Grace Farrell of Rancho Trailer Park, on her birthday.

The dancing took place at Date Palm Cove's beautiful recreation hall, donated for the occasion by the owner, Fred Stearns and managers, Mr. and Mrs. Miller.

After the 200 people from Palm Springs area trailer parks had enjoyed dancing to the Strickland's music, a buffet dinner, consisting of turkey, ham, chicken, tossed green salad, potato salad, jello, fruit punch, coffee, and cake was enjoyed by all.

After the dinner, community singing was enjoyed and dancing continued until 11 p.m.

Assisting Ida with his herculean task of serving this huge crowd were: Mrs. Lancaster, Emma Quist, Don Paradise, and Frank Cullen.

Clubwomen Plan For Card Party

A dessert and card party will be held at the Yucca Valley Women's Club, Onaga and Fox Trail, on Thursday, June 14. Card games will start at 11 a.m.

Dessert and coffee will be provided; please bring your sandwich. Bridge, Canasta and Heck will be the games of the day and a prize will be provided for each table. There will be the usual donation. The public is invited.

Ripen unripe pears, peaches and plums in the open air at room temperature. Do not place in the sun.

Girl Scouts of America to Celebrate 50th Anniversary

As a part of the 50th anniversary of the founding of the Girl Scouts of America, 10,000 of its girl and adult members will meet this summer from July 18-31 in Vermont on the shores of Lake Champlain for the 1962 Girl Scout Senior Roundup.

Among these campers, 14 through 17 year old, from the 50 states of the Union and approximately 20 foreign countries, will be Margot Morrison of Palm Springs.

Margot lives with her parents, Mr. and Mrs. Fred Morrison at 305 Buena Vista and is a junior at Palm Springs High School where she is president of the Girl's Athletic Association. Recently she was selected to be a representative at Girls' State.

Last year, Margot was chosen 'girl of the year' at P.S. High school for all around accomplishment.

She particularly enjoys P. E., leadership, and Orchestra, and is an avid sports fan. She loves life guarding and teaching swimming.

and finds time for tennis and softball too.

Her future plans include college and possibly a P. E. teaching career, though she hopes to marry and raise a family.

Margot will be one of 14 scouts from Riverside County selected to attend the Roundup which is a major event for Senior Girl Scouts occurring every three years.

Purpose of this international encampment is to provide opportunities for Senior Scouts to meet girls from all parts of the United States and foreign countries to exchange with them the traditions of their differing regions, to develop new interests, and to explore together the nature and problems of our nation and the world and the part young people may play in it.

'Spring Fantasy' Danced by Youngsters

MOONBEAMS DRAPED in light blue chiffon and silver sequins appear to a happily dreaming child, during a sequence in the Dance Workshop presentation of "Spring Fantasy," held in the recreation center at Ramon Trailer Park. (Desert Sun Photo)

Children Tap, Turn, Twist Through Scene Set in Park

In dance, youngsters told the story of spring when Frankie Johnson and Hazel Seward presented the 2nd annual Dance Workshop, "Springtime Fantasy," in the recreation center at Ramon Trailer Park.

The frolicking fantasy began on a sunny morning in the park, when gayly romping children awakened a sleeping (hep) cat who, in the person of Patricia Cirata, did a modern jazz routine and was costumed as a black cat with a bobbing fuchsia tail.

In the next sequence, Denny Skuse and Susan Haidet appeared to warn Leslie Dungan, Toni Turzian, Debbie Kay and Kathy MacLean (three and four year olds dressed like Huck Finn) of the terrible Teddy Bears housed in the nearby woods. Naturally, the curious youngsters tapped their way into the woods to a "Swanee River" type tune.

Next, a graceful sight unfolded in the park garden, when Renee O'Donnell, Debbie Lamkin and Lane Partridge burst forth from brightly colored flowers to perform a ballet.

Tights and Tutus Wearing striped tights and a tunic top, Sharon Roberts stepped through the park doing a modern ballet-jazz and happened upon Kathy Baker, May Ann Ehlers and Lisa Rabinovitz, who were costumed as butterflies. This gossamer-like trio, wearing white tutus with multicolored striped wings, entertained with a ballet.

Soft-shoe-tapping about the park, Stewart Roberts wore a bright red blazer when he came across a quarter in old-fashioned bloomer swimsuits. This group, which did a novelty ballet, included Dawn Simpson, Dayle Carnahan, Debbie Estel and Dody Larson.

Jackie Thompson, Terri Hardy, Susan McCarthy and Corinne Mazich balleted in and out of hula hoops around the country garden, and met Cindy Stockton and Lane Partridge, who happily tapped

about and wore leotards with frilly shirts.

Sweets to the Sweet All these dancing about the park received lollipops, picked right off the lollipop tree by the ballet team of Susan Haidet and Danny Skuse.

Wearing polka-dotted vests, tights and top hats, Lisa Rabinovitz, Mary Ann Ehlers and Kathy Baker did a minstrel-type tap strut, and Briggs and Toni Mosca, Nancy Kay and Sandra McCarthy had fun stepping to a waltz clog while wearing sailor-type playsuits.

Casually, Lane Partridge and Dan Johnson soft-shoed through the park, he in his best tux and she in her feminine-best dress and pinafore.

While his sister Sharon ground music from an organ, Stewart Roberts wore a brown terrycloth monkey suit and performed monkey-style acrobatics. After observing Stewart's animal antics, all the dancers ending up "twisting" with joy.

And so to Sleep As darkness fell and the children wandered sleepily to their homes, Debbie Kay became lost and fell asleep, happily dreaming of moonbeams who wore light blue chiffon gowns, given a dream-like quality by silver sequins.

Moonbeams were portrayed by Patricia Burgstahler, Sandy and Sherrie Ridley, Mary Lamkin, Becky Smith, Dawn Simpson, Dayle Carnahan, Debbie Estel and Dody Larson.

During the dream sequence Patricia Cirata performed a solo and was joined, for the finale, by the entire cast.

PTA Enjoys Program at Oasis School

Youngsters of the Oasis Elementary School played to a "standing room only" audience when the kindergarten, first and second grades presented their third annual Spring Festival program last week.

The day-time program was staged by students of the afternoon session, and a similar performance was put on for the PTA by pupils of the morning session.

Each program was opened by a procession, and the King and Queen and their court took their place on their Royal thrones. During the afternoon program King Russell Lanning and Queen Kimberly Edwards were the royal couple. Members of their court included Michael Schubach, Judy Elder, David Sherriff, Sarah Jensen, Bruce Knight, Gayle Bigler, Jimmy Briggs, Barbara Marie Davis, Donald Fagen and Susan Hamm. Michael Brush and Alan Grant were guards, and Nina Bradford and Theresa Stephens were flower girls.

Entertainment included songs and dances by members of the primary rooms, ending with the traditional May Pole dance by a group of second grade girls.

David Geer and Jeanne Chattin were picked as King and Queen for the evening showing, and their court consisted of Danny Bosch, Karen Carpenter, Duncan Proudfoot, Kathy Fester, Kenneth Leach, Ardith Simmons, Richard Linton, Juanita Williams, Mark Beard and Dolores Minatogawa. Guards were Craig Campbell and Johnny Ferguson, and flower girls were Mary Jane Haney and Sharon Ison.

Forty Five at Bridge Club's Master Tourney

The Desert Duplicate Bridge Club held its Monthly Master Point Tournament for the month of June in the Pavilion, and with nine tables in play the winners were:

North-South
George Yoxall, and Dr. L. L. Laughlin, 1st; Joe Nash and J. J. Stedem, 2nd; Margaret Elser and Gertrude Markland, 3rd; and Mr. and Mrs. Eugene Curati, 4th.

East-West
Tot Lee and Lea Worth, 1st; Jessie Barrington and Clarence Mills, 2nd; Carroll Busch and Verne Gisel, 3rd; and Mr. and Mrs. David Cunliffe, 4th.

Judge to Speak To Legal Secs

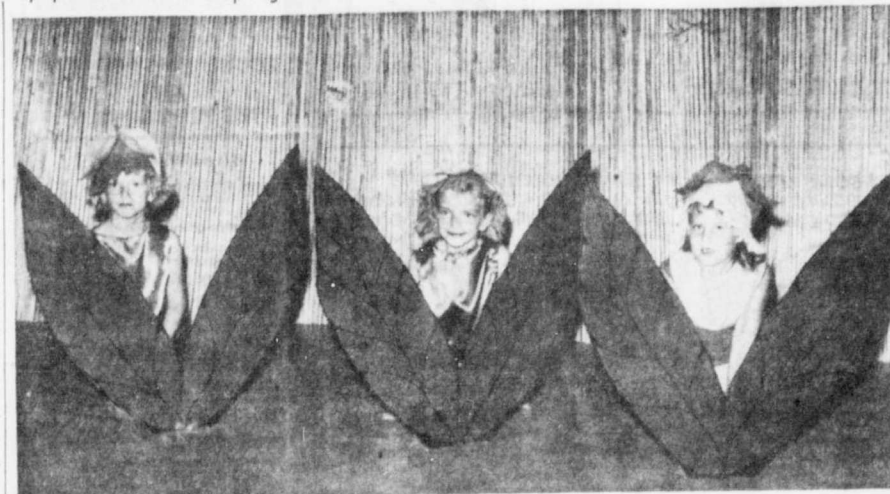

Judge Russell S. Waite, Superior Court Judge of Riverside, will speak on "Oddities of the Law," when the Desert Legal Secretaries meet at the Biltmore Hotel tomorrow evening.

Spareribs Are Featured in Tangy Entree

In warm weather, spareribs are often barbecued outdoors, but here's an ideal way to prepare them on a crisp or cold day.

The dish is called Bohemian Spareribs, since it's styled after the many sauerkraut dishes in that part of the world. The sauerkraut is seasoned with caraway seeds and placed in a baking dish. Onion slices come next, then canned tomatoes. The spareribs follow for the top layer of this hearty, tangy entree.

Reba Staggs, meat authority, recommends 1/2 pound of spareribs for each person. Remove the meat from the ribs, if this hasn't been done by the retailer.

Bohemian Spareribs
2 to 3 pounds spareribs
1 teaspoon salt
1/4 teaspoon pepper
1 tablespoon caraway seeds
1 can (1 pound 4 ounces) sauerkraut
1 medium onion, sliced
1 can (1 pound 4 ounces) tomatoes

Cut spareribs into individual servings. Season with salt and pepper. Mix caraway seeds with sauerkraut and place in a 12x8-inch baking dish. Arrange onion slices on sauerkraut and pour tomatoes over mixture. Place spareribs on top. Bake in a moderate oven (350 degrees F.) 2 hours. 4 to 6 servings.

Wall Street Chatter

NEW YORK (UPI) — Bradbury K. Thurlow of Winslow, Cohn & Stetson says if the view is accepted that the market is in an extended bear phase, life may be much easier.

His guess would be that the lows of May 29 (354 in the Dow Jones industrials) will hold more or less for the next few weeks and that the highs of May 31 (625) will constitute the first major barrier to any sustained advance.

Value Line Investment Survey believes the business machines industry continues to be a true growth industry. But the survey

cautions investors that steady growth is one thing, and to expect a compound annual growth and infinitum, is quite another.

J. W. Sparks & Co. believes the 580-585 zone would represent the low point. However, on the basis of observations made during the latter stages of the past week the firm favors upside possibilities in coming weeks.

Diplomat Seminars

WASHINGTON (UPI)—The State Department today starts the first of a series of seminars to teach diplomats and military officers how to help new nations deal with internal subversion and external threats.

Secretary of State Dean Rusk will address the opening session of the five-week course, given by the department's Foreign Service Institute. About 50 to 60 civilian and military officials destined to serve in developing nations will attend the first seminar. The goal is to train about 500 officials during the first year.

TELEVISION TONIGHT

TOP SHOW TONIGHT—Cliff Robertson, Charles Bickford and Dean Stockwell star on "The Dick Powell Show" at 9:00 p.m. over NBC-TV. Telephone line, man Danny (Robertson) and Joe (Stockwell) discover a diagram for the 1st National Savings Bank's alarm system and take it to Emmet Peabody (Bickford), a professional safe-cracker. He tells them the vault is impregnable, but develops a unique plan for getting into the safe.

LEGAL NOTICE

No. 822
RESOLUTION OF INTENTION
No. 6312
OF THE CITY COUNCIL OF THE CITY OF PALM SPRINGS, CALIFORNIA, DEVELOPING ITS INTENTION TO ORDER CONSTRUCTION OF CERTAIN IMPROVEMENTS IN ARENAS ROAD, BARISTO ROAD, SAN JACINTO DRIVE AND TAHQUITZ DRIVE (ASSIGNMENT DISTRICT 55) IN SAID CITY DECLARING THE WORK TO BE OF MORE THAN A LOCAL OR ORDINARY PUBLIC BENEFIT AND DESCRIBING THE DISTRICT TO BE BENEFITED BY SAID WORK AND TO PAY THE COSTS AND EXPENSES AND FIXING A TIME AND PLACE FOR HEARING OBJECTIONS TO SAID WORK.

The City Council of the City of Palm Springs, pursuant to the provisions of the Improvement Act of 1911, being Division 7 of the Streets and Highways Code of the State of California, does resolve as follows:

SECTION ONE: That the public interest and convenience require and it is the intention of the City Council of the City of Palm Springs, California, to do the following work:

DESCRIPTION OF WORK
The installation of an 8" sanitary sewer with the necessary manholes and appurtenances thereto and laterals extending to the property line in ARENAS ROAD, from Cahulla Road to Tahquitz Drive, South; BARISTO ROAD, from So. Patencio Road to Tahquitz Drive, South; SO. PATENCIO ROAD, from JACINTO DRIVE AND TAHQUITZ DRIVE, from Arenas Road to Baristo Road.

PLANS, PROFILES, ETC., AND SPECIFICATIONS
SECTION TWO: That all of the said work and improvements thereon must be constructed upon the grades, along the lines, between the points, of the dimensions, shown on the plans, profiles and drawings for construction of said improvements in Arenas Road, Baristo Road, So. Patencio Road, San Jacinto Drive and Tahquitz Drive, (known as Assignment District No. 55), being Drawing Nos. 7621 to 7624 on file in the office of the City Engineer, and except as otherwise provided on said plans, in further accordance with the specifications and specifications on file in the office of the City Clerk of said City, and to which plans, profiles, drawings and specifications hereby approved by the City Council of said City, reference is hereby made for a further, full and more particular description of said work and improvements thereon, and made a part of the same as incorporated herein.

DESCRIPTION OF ASSESSMENT DISTRICT
SECTION THREE: That the said contemplated work and improvements, the opinion of said City Council, is more than a local or ordinary benefit and the said City Council hereby makes the expenses of said work and improvements thereon a charge upon a district, which said district said City Council hereby declares to be the district herein designated for said work and improvements and to be assessed to pay the costs and expenses thereof, and which district is described as follows:

That certain territory of the City of Palm Springs, California, exclusive of streets and alleys, included within the exterior boundary line shown upon the said assessment map, and which said map is on file in the office of the City Clerk of said City, and which is hereby made to be said map or plan for a further, full and more particular description of said assessment district, and said map or plan on file shall govern for all details as to the extent of said assessment district.

DESCRIPTION OF BONDS
SECTION FOUR: That serial bonds, bearing interest at the rate of six percent (6%) per annum, shall be issued to represent each assessment of fifty dollars (\$50) or more remaining unpaid for thirty (30) days after the date of recording the warrant. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September 1st following their date. Payments on the principal of unpaid assessments and interest thereon shall be made by property owners to the City Treasurer, and the same shall be disbursed by said City Treasurer, all as provided in the "Improvement Act of 1911," hereinafter referred to.

TIME AND PLACE OF HEARING
SECTION FIVE: NOTICE IS HEREBY GIVEN THAT on the 18th day of June, 1962, at the hour of 7:40 o'clock p.m., in the chambers of the City Council in the City Hall of said City, and all persons having any objections to the proposed work or improvements or to the extent of the assessment district, or to the proposed grades, shall be heard and show cause why said work should not be done or carried out in accordance with the Resolution of Intention. Protests must be in writing and must be delivered to the City Clerk prior to the time set for the hearing.

IMPROVEMENT ACT
SECTION SIX: That all of the work herein proposed shall be carried through in pursuance of an act of the legislature of the State of California, entitled "The Improvement Act of 1911," being Division 7 of the Streets and Highways Code of the State of California, and further that the City Clerk is the nominated officer to open all bids.

PUBLICATION OF INTENTION
SECTION SEVEN: That the "Desert Sun," a daily newspaper printed and published and having circulation in the City of Palm Springs, California, is hereby designated as the newspaper in which the Resolution of Intention shall be published by the City Clerk, in the manner and provided by law and for making all other publications in the proceedings under this Resolution of Intention.

NOTICE OF IMPROVEMENT
SECTION EIGHT: That the Superintendent of Streets of the City of Palm Springs shall cause to be conspicuously posted along the line of said contemplated work or improvement and along all open streets within the district liable to be assessed for said work, notices of the passage of this Resolution of Intention, in time, form and manner provided by said Code.

I hereby certify that the foregoing is a true copy of the Resolution of Intention adopted by the City Council of the City of Palm Springs in a meeting thereof held on the 21st day of May, 1962, by the following vote:

AYES: Councilmen McKinney, Paisley, Strebe, Beebe and Kirk
NOES: None
ABSENT: Councilman Carlin and Mayor Bogert.

Santa Clara Upset in NCAA Play

OMAHA, Neb. (UPI) — Pre-tourney favorite Santa Clara, surprise loser in its opening game Monday, played Missouri today in second round action in the NCAA national baseball tournament.

In the winners' bracket it will be Michigan meeting Holy Cross and surprising Ithaca tangling with Florida State.

Two teams were to be trimmed from the eight-team field today when the Broncos of Santa Clara met Missouri and Texas played Colorado State.

Santa Clara, which entered the tournament listed as the nation's top team, was unable to get in gear against the pitching of Larry Hawkins, Monday and reliever Tommy Davis and tumbled, 5-1, to Florida State.

Davis, whose right leg is stiff because of a childhood attack of osteomyelitis, allowed no hits in the last two innings and Hawkins gave up only three, all to pitcher Bob Garibaldi, whose solo homer gave the Broncos their only score.

Fritz Fisher went the route for Michigan and the Wolverines edged Texas, 3-1.

Holy Cross pushed into the winner's bracket by nipping Colorado State, 4-3. Ithaca, which has a male enrollment of only 1,000, rallied in the sixth to beat Missouri, 5-1.

State to Establish Three Wildlife Managing Areas

WASHINGTON (UPI)—Establishment of three national cooperative land and wildlife management areas in California was announced Monday by the Interior Department.

The three areas, totaling nearly 134,000 acres, are in Central and Southern California.

The largest is the Clear Lake Area covering 112,089 acres in Glenn, Lake, Napa, Yolo and Colusa counties.

The 15,437-acre Otay Mountain

Area and the 6,400-acre Jacumba Area were established in San Diego County.

The department announcement said the areas will be managed by the Bureau of Land Management with advice and cooperation from the U.S. Fish and Wildlife Service and California state officials.

The areas are primarily for the protection, development, conservation and management of native wildlife and outdoor recreation resources.

TWINS LEAD AL

Angels Open Big Series With Minnesota Tonight

Two of the American League's most surprising clubs — the Los Angeles Angels and the Minnesota Twins — open an important three-game series at Chavez Ravine tonight at 8 p.m., as the Angels wind up a lengthy home stand with this series. A night game is scheduled for tomorrow night with the series winding up on Thursday afternoon at 1:30 p.m. with a Ladies and Senior Citizens' Day contest.

It's a vital set for both clubs, as the Angels continue their fight for a first division berth prior to going on an extended road trip. For the Twins, it's important because they've been battling New York and Cleveland for the top berth in the league — and consequently every game is doubly

important for both clubs in this exciting pennant race, undoubtedly the most heatedly contested race in recent years in the American League.

Lee Tonight

Don Lee, 28-year old righthander whom the Angels acquired from the hard-hitting Twins several weeks ago, is the probable starter for Bill Rigney's hard-fighting crew. Lefthander, Jack Kralick is the probable starter for Sam Mele's Minnesota nine.

The Angels will be seeking revenge against the Twins, since Minnesota copped the first three-game series here in April. Los Angeles had taken a two-game series in Minnesota on the first weekend of the season. Hence, the Twins lead on the year, 3-2.

The recent mound comeback of ace righthander Ken McBride has been a steady factor for manager Bill Rigney, who has been juggling his pitching staff all season. His four "Fearless Firemen" composed of Ryne Duren, Art Fowler, Tom Morgan and southpaw Jack Spring have done a tremendous job.

Billy Moran, who is making a big bid for All-Star recognition, has been one of the leading lights in the Angels' early-season heroics. His fielding has been flawless, his hitting timely — and quite frequently for distance.

Our Hero Albie

Albie Pearson, a former Twin (when they were known as the Washington Senators) has done a yeoman job at leadoff for the Angels. His on-base percentage has been phenomenal. Albie has been playing centerfield most of the time recently and has done a fine job in-between home run slugger Leon Wagner in left field and rightfielder Lee Thomas, who has made a big plate resurgence recently.

The Twins rise to prominence this year has been somewhat of a surprise especially since home run slugger Harmon Killebrew has not

been himself at the plate — particularly at home, where he normally would shine. Harmon, however, has been a terror on the road — and the Angels are well aware of this, recalling his two tape-measure home runs at Chavez Ravine in the Twins' first visit here.

Minnesota has been bolstered by the fine all-around play of Rich Rollins at third and Bernie Allen at second. Outfielder Lenny Green has been a consistent batter for the Twins, while playing a steady defensive game.

Outstanding Catcher

Earl Battey, former Jordan High School (Los Angeles) star, is one of the American League's outstanding catchers — and he always looks forward to returning "home" to face the Angels. The feeling, however, is not mutual from the Angels standpoint. Earl has been most effective against Los Angeles in the two years they've been in the league.

Tickets for the three final Angels home games against the Twins — and all future Angels games — can be purchased at the club's main offices at 1525 N. Western Ave., at the drive-in ticket window on Elysian Park Ave., above Stadium Way, at any Mutual Theatre Ticket Agency in Southern California and at Wallich's Music City stores.

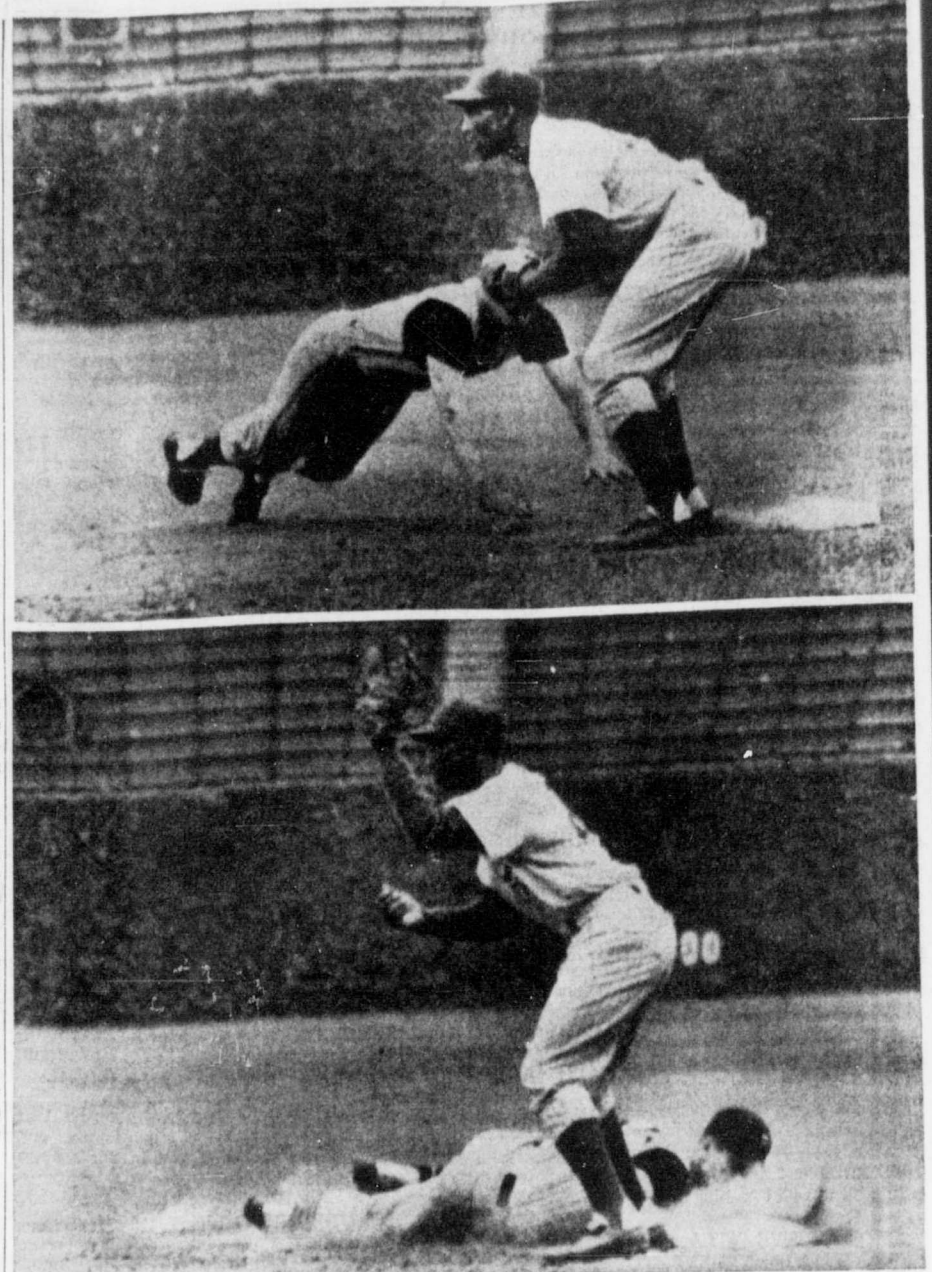

Close Race In LL Loop

As the Little League derby turns into the homestretch and heads for the finish line, the loop race becomes tighter than a pair of new shoes, for in Monday evening's games the top leaders dropped a couple of close tilts and the third and fourth place teams scored victories.

The eight Little League teams will play three more games before the end of the regular season, with the top four teams going into the play-off for the Sears' City Championship Trophy. The semifinals will get underway on Monday, June 25 and the finals will be played starting the first week in July.

Hathaway Wins, 4-3, Over Angels

Opening games of the Pony and Keystone leagues at the Polo Grounds provided the many baseball fans in the stands with some exciting plays and plenty of fine baseball and good action.

The Hathaway Braves nosed out the Chi-Chi Angels, 4-3, as Robert Teitelbaum swung a mighty stick and went 3 for 3 during the game while the winning hurler, Robert Taylor was only allowing the Angels three hits.

BE HOME FRIDAY

Dodgers in 3-Game Series With Braves

MILWAUKEE (UPI) — The torrid Los Angeles Dodgers meet the Milwaukee Braves tonight hoping to extend their 12-4 road trip record to 15-4 before they head for home.

Veteran Johnny Podres (3-4), off his usual steady record, faces Lew Burdette (3-4) at County Stadium.

The league-leading Dodgers, 2 games ahead of the faltering San Francisco Giants, thrived on doubleheaders on their current road trip, winning four sets.

Los Angeles had a day off Monday to acclimate themselves in the cooler weather of the northern plains after sloshing their way in humid Houston.

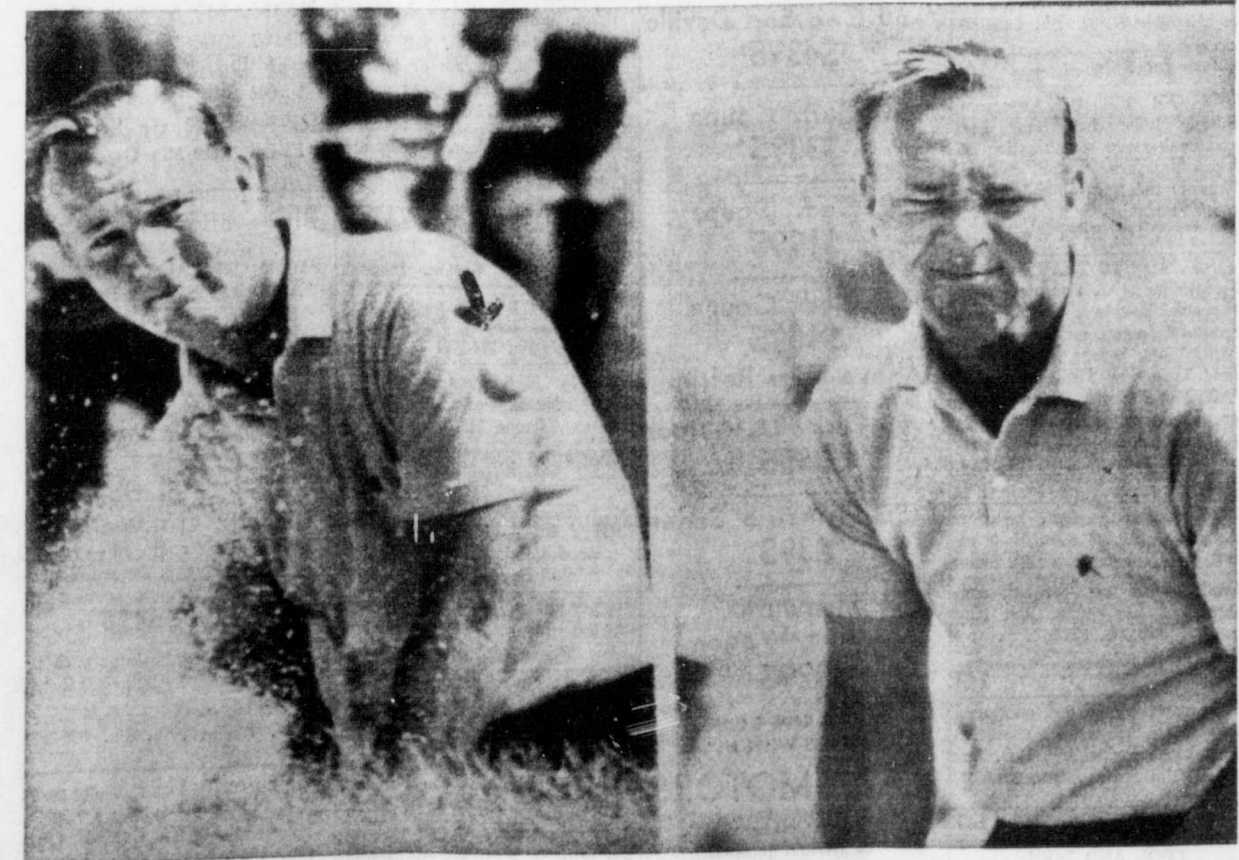

Podres, who is winless this month, may have a better than

average chance to emerge the winner when he duels with veteran Burdette, who has dropped two games against the Dodgers without going the distance in either game.

The Braves lead the second division of the senior circuit, 14 games behind their opponents today. Between the two clubs, the Dodgers hold a 4-2 edge over Milwaukee for the season.

The Dodgers head for home Thursday night to meet the Houston Colts Friday night.

Probable pitchers Wednesday are strikeout ace Sandy Koufax against Warren Spahn, and on Thursday, Stan Williams gets the nod for the series closer.

EVERYBODY'S FAVORITE, cut finger and all, is Arnold Palmer who fans have made a 5-1 favorite to win the U.S. Open golf championship this week starts Thursday at the Oakmont County Club. Arnie blasts out of sand trap (note ball above his elbow). Next he frowns as

he misses a putt playing the third hole yesterday in a practice round. Even with the cut finger Palmer toured the course in regulation figures as he carded 35-36-71 for the 6,894-yard layout. (UPI Telephoto)
